## Major Brands We Stock

## In-House Repair Center

We have a fully equipped workshop to repair Electric Power Tools, Pneumatic Air Tools and Petrol Machinery. We stock a wide range of spares. Our trained staff have a combined total of nearly 80 years of experience. We offer tiered and competitive repair labour rates. Our repairs carry a 3 month warranty. We pride ourselves in using 'parts' purchased directly from the respective brands. We carry the widest range of electrical and petrol spares hence we are able to provide quick turn-around times on repair.

## The Options Are Endless

Whatever your job, Tool & Fastening World has the tool for you. We stock and sell the following:

**ELECTRIC  
POWER TOOLS**

In the modern world, the easiest way to do the job is often the best way. Electric power tools have saved us all endless hours on the worksite and around the home and here at Tool & Fastening World we are keen to help you with any of your power tool needs

**HAND  
TOOLS**

Hand tools have been around for thousands of years and with good reason. Even the most experienced tradesman knows that the simpler the tool required, the quicker the job. What can't be done quickly by hand can be handled in an instant by many of the hand tools we have available for sale.

**HARDWARE &  
ACCESSORIES**

We have auger bits and driver bits, even spade, metal, masonry drill bits and accessories for every machine! Of course, that's just the start; you'll find hundreds of instantly-accessible individual and multi-tool accessories right here and ready to help with any job or project.

**FASTENERS**

For all trades projects, quality fixing and anchoring solutions are central to the integrity of your build. And you need construction fasteners that will stand the test of time. Also, a partnership with a knowledgeable and supportive supplier is extremely important for the success of your business.

**PETROL  
'SMALL PLANT'  
MACHINERY**

Here at Tool & Fastening World, we have many different pieces of construction machinery on offer, and our staff will be happy to help you determine which tools are best for your needs and budget. In addition to cement mixers, winches, and generators, we also provide block saws, plate compactors, trowel machines, pressure washers and more.

**SAFETYWEAR**

We've got you covered when it comes to safety on the worksite with Safety Footwear, Protective Clothing, Eye Protection, Ear Protection, Hand Protection, Respiratory Protection, Head and Face Protection, Height Safety & Safety Signs
